

fair

A four-letter word you **CAN** use...

Dive into the world of fairness and ombudsman work and **get creative!**

You could win a pretty FAIR prize package: **\$500**, lunch with the Saskatchewan Ombudsman and a visit to the Legislative Assembly in Regina. **PLUS**, your school library wins \$200!

Support your school just by participating! The school with the highest ratio of entries for grades 9-12 will also win \$200 for its library.

While there are some four-letter words you can't use, it's ok to say "That's not FAIR!" When people complain about unfairness, changes can happen! In fact, people in Sweden have been telling their ombudsman about unfairness for 200 years – and with interesting results. The idea has spread and now ombudsman offices all over the world are taking complaints and defending fairness.

So go ahead...

Use the word "FAIR!" Send us your **essay** (3-5 pages), **video**, **interview**, **comic book** or... (you decide). We are looking for good research presented in an interesting way.
